

The Michael Spiers Devon Doubles 2017

- A word first about safety... **we whole heartedly recommend the wearing of goggles during play**. Devon SRA, Fort Stamford and the officials organising this event accept no responsibility should injury arise due to a player not wearing eye protection. Goggles are on sale at reception at internet prices.
- Lets. Please ask for Lets rather than run the risk of injury
- Play will be 5 games to 11 by 2 clear points.
- Spirit of the game. This is a fun event and it's that festive holiday time! Please conduct yourself appropriately and enjoy!
- Player eligibility. The usual student residential ineligibility rule for a Devon sanctioned event is relaxed for this year's doubles tournament.
- Times are provisional. Players should be here at the allotted time of play. A player arriving more than 20 minutes later than the allotted time runs the risk of conceding that match.
- Players playing two consecutive matches are entitled to a short break of no longer than 15 minutes.
- There is a plate event for each 1st Match loser with the exception of the Ladies event!
- Please leave the match balls on the court (not in your bag!)
- The tournament referees, Royston and Richard will have the final say on disputes.
